

The Saint Mary's  
Climate  
**FIGHTBACK!**

WOODLAND  
TRUST

# Why do we need trees?

To make a difference to climate change and for providing oxygen.

# Why do we need trees?

To provide us with food for the future.

# Why do we need trees?

Trees feed wildlife

# Where will our trees grow?

# Where will our trees grow?

# Where will our trees grow?

# How can you help?

# How can you help?

## **You can litter pick:**

- After school with us at the end of term.
- On one of the 5 things clear beach cleans.
- In your area with friends and family – get your family to take photos and send them in!

# Sponsorship

The children who:

Carry out the most minutes of litter picking or

Raise the most money
